Product details

Inspired by Soho House Rome, the Ernest table lamp features a conical, honed Italian black marble base, which has natural variations in the stone, making each piece entirely unique. Accented with antique brass detailing, also known as raw or uncoated brass, ours is brushed and left without a protective coating. It therefore ages over time and develops a beautiful patina that adds character to new and old homes alike. Complete with a lined, natural linen shade for an ambient glow, this style is an ideal bedside lighting option.
