Product details

This Garret design is an extension of our House favourite indoor armchair, now suitable for outdoor use. Featuring the same comforting curves and rounded shape, we've upholstered it in a cactus floral linen to echo the vintage prints seen in Soho Farmhouse. A moisture-resistant internal structure and foam padding makes this chair outdoor safe, as does swapping the original metal base for Iroko wood.

- Extension of our Garret range
- Cactus floral print linen upholstery
- Moisture-resistant internal structure
- Outdoor-safe foam padding
- Iroko wood base
- Inspired by Soho Farmhouse
