Product details

The eighth floor at White City House provided the inspiration for the Vivienne Modular sofa. Upholstered in natural linen, it's distinguished by a pleated stitch back for an element of texture, with feather-wrapped foam cushions and a wraparound back for comfort, along with cylindrical legs. Designed to work well in open-plan spaces, coordinate and configure with other pieces in the Vivienne collection for the sofa shape of your choice, from an L-shaped to a U-shaped arrangement to bring people together.
