

Tisbury Side Table, Jurassic Green Marble

€1,300 Regular price

€1,105 Member price

A circular top sits on three cylindrical columns, carved entirely from deep green Verde Bosque marble.

Taking inspiration from the marble styles seen throughout London's 180 House, the sculptural silhouette of our Tisbury side table is crafted from a green Verde Bosque stone. Thanks to natural veining that ripples across its surface, no two pieces are completely alike.
