Stellios Double Vanity, Arabescato Marble

€9,100 Regular price

€7,735 Member price

An angular silhouette is carved using an Arabescato marble detailed with fluting at the base.

Our Stellios double vanity takes inspiration from the solid marble sinks seen in the bathrooms of Soho House Rome. Crafted using a honed Arabescato marble, its angular top houses double undermount sinks. Characterised by fluted detailing, the square pedestal base gives way to an antiqued brass plinth for subtle contrast.

Care instructions: To keep your vanity unit in the best condition, we advise the following suggestions. Although our vanity tops are hardwearing, prevent placing sharp objects or excessive heat on the surface as this will cause irreversible damage. Care should also be taken not to drop any heavy objects onto the top as the surface may crack. For general cleaning, use a damp, soapy cloth. We also advise dusting often using a clean, soft, dry and lint-free cloth. All spills, including corrosive liquids and make-up should be wiped off immediately without the use of bleach products, scouring pads or multi-surface cleaners. Avoid leaving water to lie on the surface as our bathroom vanity units are water-resistant but not waterproof.
