Hanson Coaster, Floral Jade, Set of Four

€85 Regular price

€72 Member price

Crafted from a Floral Jade marble that's characterised by vibrant beige, black, white and green veining, making each one unique.

Referencing the marble finishes in Soho House Rome, our Hanson coasters have been hand-hewn in India from a weighty Floral Jade marble with unique variations in texture and colour. Each one features protective feet on the base to avoid scratching surfaces such as glass or wood.
