Product details

The Oregan wall light has a vintage feel that references the styles at White City House with a cast bubbled glass shade and raw brass metalwork. Our brass is brushed to give an antique feel, and is left without a protective coating. It therefore ages over time to develop a beautiful patina that adds character to new and old homes alike. Fit it by your bed to create a soft ambient light, ideal for unwinding.

- Cast bubbled glass shade
- Machined ridged arm
- Antique raw brass metalwork
- Inspired by White City House
