This classic floor lamp takes inspiration from the styles seen in the Main Barn at Soho Farmhouse. A raw blackened brass finish frame is brushed to give the lamp an antique feel, and is left without a protective coating. It therefore ages over time to develop a beautiful patina that adds character to new and old homes alike. Complemented with an organic, hand-pleated shade, it diffuses soft, ambient light and is decorated with intricate stripes to suit a variety of interiors. Four cast ball feet ensure enhanced stability and character.
