## Curve Floor Lamp

Taking its cues from 180 House, the Curve floor lamp is anchored by a blackened brass finish frame with cast ball feet. Also known as raw or uncoated brass, ours is brushed to give the lamp its antique aesthetic, and is left without a protective coating. It therefore ages over time and develops a beautiful patina that adds character to new and old homes alike. The distinctive curved form ascends into a hand-pleated parchment shade, which emits a soft diffused light. The use of contrasting textures complements both traditional and modern interiors.
