Our Santa Fe range is ideal for casual dining and serving sharing dishes and appetisers. With a simple, round coupe shape, each piece is made from terrastone, a combination of stoneware and high fired terracotta that is known for its durability. Dishes have a sanded smooth, unglazed exterior and a transparent white gloss glaze interior that allows the natural colour of the clay to come through. Santa Fe stacks up nicely on a shelf and can be mixed with other ceramics to create a layered table setting.
