~~€2,763~~ €1,720 Member price

The Herly armchair's tactile chenille upholstery is spun from recycled wool and acrylic yarns reconstituted from the fashion industry, with sustainable Tencel Lyocell sourced from the fast-growing eucalyptus tree. The design references the retro-inflected styles seen throughout 180 House, with fixed arm bolsters, pulled button detailing and a feather-wrapped seat cushion. Pair with the coordinating Herly sofa to create balance in your living space.
