The Royce rug is inspired by traditional 19th-century Persian rug designs found in Soho Farmhouse. An intricate all-over pattern and decorative border is met with rich and deep blue tones as the perfect grounding layer in any room. Hand-knotted in India from a combination of Afghan and New Zealand wool, each one takes up to six months to craft with 41 knots per square inch. One of the highest quality standards in rug craftsmanship makes this a piece to last for generations and become a well-loved part of the home.
