Part of our limited-edition Bangkok capsule collection, this lounge chair echoes the luscious surroundings inside and out of Soho House Bangkok, upholstered in Pierre Frey's blue Menerbes fabric. An irregular linen with a charm and appearance that is as unusual as it is original, Menerbes surprises with its energetic and authentic appearance. Solid oak details can be seen in the form of bobbin arms and a plinth base, while the curved roll top, lumbar support and soft padded foam seat offer supreme comfort when unwinding with a drink.
