Product details

A mix of abstract florals has been brought to life with our Liz rug, in shimmering natural fibres and matte wool textures. Inspired by the textiles seen in Soho House Amsterdam, this vibrant design, first illustrated in-house, is then passed to our skilled artisans in India. Here, they use a traditional hand-tufting technique to form the pattern. The overlapping motifs catch the light to create fluidity and movement in the home, while the warm combination of shades in this rug all layer beautifully with our upholstery colours.
