Hand-crafted using sustainably sourced materials to create a breathable mattress with edge-to-edge support.

Designed by Hypnos, the Woolsleepers Pillow Top mattress is designed for premium comfort with a pocket-spring core. Its low-maintenance no-turn design is hand-crafted in the UK using fully recyclable, 100% British wool from Red Tractor-certified farms. An unbleached cotton and viscose-blend surface is breathable, naturally hygienic and temperature regulating.

Care instructions: Treat any stains and spills immediately with a dry towel. Avoid wet or damp spot cleaning your mattress as this risks diluting or even removing the fire retardant qualities of the fabric. Use a mattress protector to help reduce the risk of staining. Regular stripping down or truning down the bed each morning allows your mattress to air and breathe. Rotate the mattress every three months with the seasons by following the instructions on the label.
