## 'Dark Purple Garden' by Bruce McLean

€20,800 Regular price

€17,680 Member price

This original artwork is finished with elements of collage that ensure each print is totally unique.

One of the artist's signature mediums, this original monoprint is finished with elements of collage applied by hand, ensuring that no two artworks are exactly the same. It is shipped in a black, archival box frame that's ready to hang directly onto your wall.

### About the artist

Showing his first solo exhibition at the Tate by the age of 27, Bruce McLean is recognised as one of the leading artists of the past few decades. Graduating from both Glasgow School of Art and Central Saint Martins, the Scottish artist works across sculpture, paint, performance art and print.
