A fresh, herbal scent gives way to a warm, woody base to take you from day to night.

Green, zesty top notes of lemon and thyme give way to a sweet, woody heart and warm amber base for this home fragrance. The vegan-friendly wax is hand-poured into an Apple Jade marble vessel that can be reused or refilled with any of our borosilicate glass candles.

Top notes: Lemon and thyme, Heart notes: Red fruits, fig and soft woods, Base notes: Amber.

Burn time: Up to 80 hours.

Care instructions: Burn your candle for 2-4 hours at a time to prevent tunnelling, and allow the wax pool to solidify completely before relighting. Keep the wick trimmed to 5mm and the wax pool free from debris to avoid smoking. Read more in our candle care guide. Never leave a burning candle unattended. Keep out of reach of children and pets, and away from flammable materials, hanging objects and polished surfaces.
