Notes of sandalwood, patchouli and oud create a smoky, aromatic scent in a marble holder.

Rich, woody notes of oud and patchouli give way to a warm sandalwood base for this smoky, aromatic fragrance. Its vegan-friendly mineral and vegetable wax is hand-poured in England into a Forest Green marble vessel that can be reused with any of our borosilicate glass candle refills.

Top notes: Oud, Heart notes: Patchouli, Base notes: Sandalwood

Burn time: Up to 85 hours.

Care instructions: Burn your candle for 2-4 hours at a time to prevent tunnelling, and allow the wax pool to solidify completely before relighting. Keep the wick trimmed to 5mm and the wax pool free from debris to avoid smoking. Read more in our candle care guide. Never leave a burning candle unattended. Keep out of reach of children and pets, and away from flammable materials, hanging objects and polished surfaces.
