Bergamot, lime and jasmine work together to create a light, fresh scent for this candle refill.

Green, citrusy top notes of lime and bay combine with floral jasmine, oakmoss and zesty bergamot and mandarin to create this light, fresh fragrance. Hand-poured in England into borosilicate glass, this refill is designed to slot perfectly into any of our marble candle vessels to swap between scents.

Top notes: Lime and bay, Heart notes: Jasmine and oakmoss, Base notes: Bergamot and mandarin

Care instructions: Burn your candle for 2-4 hours at a time to prevent tunnelling, and allow the wax pool to solidify completely before relighting. Keep the wick trimmed to 5mm and the wax pool free from debris to avoid smoking. Read more in our candle care guide. Never leave a burning candle unattended. Keep out of reach of children and pets, and away from flammable materials, hanging objects and polished surfaces.
