Product details

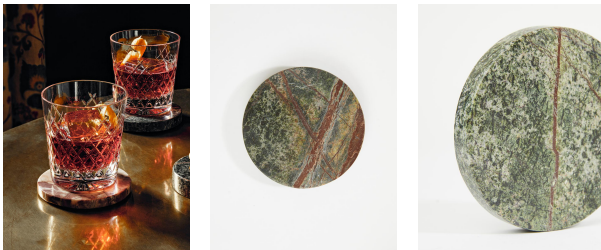

Referencing the solid marble furniture seen throughout 180 House on the Strand in London, this set of four coasters has been hand-hewn in India from a weighty forest-green marble that has unique variations in texture and colour. Each one has protective feet, so it won't scratch natural surfaces such as glass or wood.

Dimensions

Product dimensions: H1.2 x W10 x D10cm / H0.5 x W3.9 x D3.9"

Product weight: 1kg / 2.2lbs
