## Product details

Part of our new Soho Editions, this limited-edition print was created by Soho House Art Prize 2020 runner-up, Panteha Abareshi. Based in LA, Abareshi's art is heavily influenced by sickle cell zero beta thalassemia - a genetic blood disorder from which she suffers. Fully immersed in the notion of 'otherness', she explores the complexities of living with a chronically ill body and uses text to explore hope, fear, and beauty.
