~~£247~~ £116 Member price

Sculpted by hand in India from a single block of alabaster marble, our new Frida candleholders are truly one of a kind. Recalling the natural tones of Little Beach House Barcelona, they're handmade by skilled artisans from ivory-toned, translucent alabaster marble, which is renowned for its soft, milky mineral tops and refined deep veining. The gift set includes three removable candleholders at differing heights for your own sculptural curation. Place the three dinner candles in each holder, or opt for our tealights for a more casual setting.
