The Mews Rimmed Bowl, Large

£55 Regular price

£47 Member price

Founded by Annabel Haan, The Mews sources and shares beautiful, naturally produced homeware that brings colour and comfort to your home. This large rimmed bowl has been selected for its reflection of traditional Andalusian ceramics. A hand-painted, scalloped pattern in tones of blue and green enhances the painterly pomegranate motif in the centre. Pair with other plates and bowls in the collection to bring Mediterranean flair to your table setting.
