

SOHO HOME

Tellis Corner Chair, Linen, Sage, UK

£1,995 Regular price

£1,696 Member price

An oak burl base holds comfortable, oversized foam and feather-filled cushions wrapped in linen upholstery for a relaxed silhouette.

Inspired by the social spaces of Soho House Portland, the Tellis armchair has a relaxed silhouette thanks to its oversized foam and feather-filled cushions. Fully upholstered in linen that comes in our range of bespoke colorways, it can be styled as a standalone armchair, or pieced together with the corner module to create a larger seating area.
