Product details

Inspired by our sunbeds at Babington House, the Ardingly lounger recreates the joy of a Soho House summer by the pool in your own outdoor space. The multi-level recliner design has been crafted from solid teak with a dark stain finish and features four height options as well as two wheels for easy transportation. Upholstered in a cactus floral print linen, this bold fabric echoes the vintage prints seen around our country Houses in tones of red, purple and green.
