Product details

This Garret design is an extension of our House favourite indoor armchair, now suitable for outdoor use. Featuring the same comforting curves and rounded shape, we've upholstered it in a neutral woven fabric, echoing the soft, coastal tones seen in Brighton Beach House. A moisture-resistant internal structure and foam padding makes this chair outdoor safe, as does swapping the original metal base for Iroko wood.

- Extension of our Garret range
- Neutral woven upholstery
- Stain-resistant
- Breathable and mould-resistant
- Fade-proof finish
- Water-repellent
- Moisture-resistant internal structure
- Outdoor-safe foam padding
- Iroko wood base
- Inspired by Soho House Rome
