Kaplan Bed, Emperor

A low-rise silhouette is handwoven from rattan, finished with veneered mahogany on the back of the headboard to create a centrepiece from any angle.

The Kaplan bed combines modern design with traditional craftsmanship, creating a low platform base from handwoven rattan that echoes the natural, artisanal interiors of Soho Beach House Canouan. Veneered mahogany wood at the reverse of the headboard makes a feature of the back, too, allowing the bed to float in the middle of the room.
