Care instructions: To keep your vanity unit in the

best condition, we advise the

following suggestions. Although our vanity tops

are hardwearing,

prevent placing sharp objects or excessive heat on

the surface as

this will cause irreversible damage. Care should

also be taken not

to drop any heavy objects onto the top as the

surface may crack.

For general cleaning, use a damp, soapy cloth. We

also advise

dusting often using a clean, soft, dry and

lint-free cloth. All

spills, including corrosive liquids and make-up

should be wiped off

immediately without the use of bleach products,

scouring pads or

multi-surface cleaners. Avoid leaving water to lie

on the surface

as our bathroom vanity units are water-resistant

but not

waterproof.
