Product details

Our in-house design team uses a mix of geometric lines to form our Allier rug. Hand-tufted in India from a New Zealand wool blend, this material finish lends supreme softness and comfort underfoot. The bold design takes inspiration from the patterns found in Kuba cloths, a traditional African textile, as well as patterns seen in 180 House. Earthy colours of olive, taupe and cream will sit easily alongside any of our made-to-order velvets and linens, or on a dark timber floor to create a statement.
