Product details

Our Gabriela lamp nods to the bold, geometric patterns seen in 180 House on London's Strand. Characterised by a ceramic hexagonal base with indented detail, it's given a green reactive glaze for an earthy tone, with each glaze different to the next for a one-of-a-kind piece. Complemented with a rectangular shade in natural linen, position on a side table in the bedroom or living room to add instant warmth and light. All of our portable lamps are fitted with dimmer switches, allowing you to tailor the light level to your mood.
