Available in three curated colours, this pair of curtains is crafted in the UK from a rich cotton velvet designed to match back to our made-toorder upholstery palette.

Inspired by the drapery in Soho House Paris, our Margeaux curtains are fully lined and finished with pompom trimmed detailing. An adjustable pencil pleat header allows them to be hung from either a track or pole to suit your space.

Care instructions: We recommend that a professional curtain cleaner or installer gives your curtains a light steam once they're unpacked and hung, and that you leave them fully drawn to let the fabric pile relax. To enhance the durability of your curtains and keep them looking their best for longer, we recommend lightly dusting your curtains regularly with a soft brush in the direction of the pile. Read our guide for more information on caring for velvet.
