Our Celia lounger set elevates your outdoor interiors scheme with a laidback, 1970s feel. Mirroring the outdoor furniture at Soho Farmhouse, included is our Celia outdoor armchair alongside a matching ottoman for putting your feet up. The cushioned profile of our armchair has a sprung seat for further comfort, with two adjustable backrest settings and a removable head cushion. Both upholstered in Pierre Frey's 'Socoa' fabric, the granite-effect weave features many technical elements, including a water-repellent and fade-proof finish to make them suitable for outdoor use. A red frame adds a contrasting pop of colour.
