Product details

Inspired by an inscription on Jackson's father's gravestone, this abstract artwork is part of a series that uses an intaglio printmaking technique.

Effectively a monoprint, made using excess varnish applied to the printing plate and transferred onto paper, this original artwork is part of a series of intaglio prints. The artist was inspired by an inscription on his father's gravestone, which reads: "Home is a sailor, home from the sea".

About the artist

A Chelsea School of Art alumni, Kevin Jackson is based in London, with some of his work displayed in the city's prestigious British Museum. The artist often creates mixed-media abstract pieces as a way to analyse the place humans have in an increasingly virtual world.
