Product details

A limited-edition print that explores "power in a relationship" through oversized, simple forms. Taken from an original woodwork, this limited-edition print is produced in the artist's favourite colour, black, to emphasise the "massiveness and physicality of the interaction" it is based on. It is one of only five prints. *This is the framed edition currently hanging in Soho Home Kings Road studio.

About the artist

Based in Daphne, Alabama, Austrian artist Barbara Kuebel has shown her work extensively throughout Europe and the US. Inspired by "awkward social interactions", she creates abstract expressionist figurative portraits rendered as life-sized woodworks she carves by hand.
