

SOHO HOME

Jasper Stone Dish, Large

\$255 Regular price

\$217 Member price

This decorative bowl has been hand carved from Jasper stone, sourced from West Java in Indonesia. Distinctive veining and tones of dark green, brown and blue reference the earthy hues, as well as the natural finishes seen in Soho Roc House with a unique, organic shape. Place on any bookshelf, mantelpiece or side table to elevate with sculptural, artistic detail.
