Designed exclusively for DUMBO House, the Roebing collection is a fitting tribute to John Augustus Roebing, the civil engineer who designed and built Brooklyn Bridge. Handcrafted from a weighty crystal, each piece has been intricately cut with straight lines echoing the cables that suspend above this historical landmark. Hand-finished and polished for extra brilliance, this collection will become a cherished part of your at-home bar for relaxed entertaining.

Ensure a fully stocked bar cart for the hosting season with our Cocktail Party Essentials. Included are three four-piece sets across the Roebing range - Champagne Coupes, and Highball and Rocks glasses - to raise a toast with guests the Soho House way.
