Fawn Outdoor Dining Chair, Sage, US

\$1,295 Regular price

\$1,101 Member price

Stainless steel framework creates a distinctive wave-patterned backrest and curved arms that surround removable, upholstered cushions.

Designed for outdoor use, the Fawn armchair is crafted from off-white metalwork complemented by the piping that surrounds its sage upholstery. Curved arms extend to form two of the chair's four legs, all of which are detailed with double ball feet at the base.
