Product details

Tapered legs carved from birch wood are paired with a comfortable, feather-wrapped cushion upholstered in natural linen.

Designed to co-ordinate with our Theodore armchair or mix and match across the rest of our collection, this footstool pairs a tapered birch wood frame with natural linen upholstery. Taking cues from the interiors of Soho House 40 Greek Street, it's finished with brass detailing on the legs and a comfortable, feather-wrapped foam cushion that acts as an extra seat or a place to put your feet up.
