## Oxley Outdoor Coffee Table, Concrete, Mushroom

**\$1,995** Regular price

**\$1,696** Member price

A sculptural silhouette crafted from reinforced concrete is finished with a reactive glaze to make each piece unique.

Part of our indoor collection, the Oxley coffee table has been reimagined for use outdoors. Referencing similar pieces seen at Soho House Hong Kong, it's crafted from reinforced concrete with a reactive glaze. Resting on three matching spheres, this unique piece creates a sculptural focal point.
