Product details

Channeled velvet upholstery in bespoke shades is mixed with a multi-functional birch inlay shelf made to perch drinks, lamps and other decor on. Filled with curved silhouettes and tactile materials, the interiors of 180 House inspired the design of our Hamish sofa. Made to order in your choice of bespoke color, its silhouette is defined by channeled velvet upholstery and a wavy backrest, finished with a shelf to perch lamps or drinks on. Choose between three and four-seater or corner configurations to create a layout that's specially built for your space.
