Prato Bookends, Mango Onyx

\$255 Regular price

\$217 Member price

A globe accent rests at the centre of an angular silhouette carved from warm Mango Onyx stone.

Our weighty Prato bookends are made from a Mango Onyx stone, recognised for its warm orange tones, light, white veining and natural variations that make each piece entirely unique. They're designed to mirror the decor seen in 180 House, particularly when layered with other pieces on your shelves.
