Joanie Jasper Stone Scalloped Bookends

\$250 Regular price

\$213 Member price

A simple, scalloped design draws attention to natural variances in the stone that make each piece one of a kind.

Our Joanie bookends are crafted from jasper stone, known for its rich, saturated hue and intricate veining. The pair is carved into a simple silhouette with a scalloped edge, designed to highlight natural variances in the stone that make each piece totally unique.
