Bring unexpected texture to tables and mantels with the Hansen candleholders, inspired by vintage pieces found in our Houses. Crafted by artisans in India, they are cast in moulds and created from high-polished, brushed brass, which creates a natural patina over time. Fill with tapered dinner candles, and mix and match with the Bruyere candles to echo the mood of 180 The Strand.

Care instructions: Ensure secure fit in holder in upright position before lighting. Burn in an area free from draughts & keep wax pool free from debris such as match heads. Allow the wax pool to solidify completely before relighting the candle. Keep wicks trimmed to 5mm at all times to avoid smoking. Stop use when 10mm of wax remains. Never leave a burning candle unattended. Keep out of reach of children and pets. Keep away from flammable materials, overhanging objects and polished surfaces. Never put in a warm place as this can cause the candle to overheat. Keep a minimum distance of 10cm between burning candles.
