

Balfern Petrified Wood Platter, Large

\$180 Regular price

\$153 Member price

This serving platter showcases the unique and natural characteristics of petrified wood, a fossilised wood from Indonesia that is over 20 million years old. The boards are individually cut, sanded, and polished by skilled artisans in Indonesia, making each one unique. Incorporate them into a dining setting to reference the natural materials and textures seen throughout the spaces at Soho Roc House in Mykonos.
