## 'Medusa (Heaven Hath No Rage Like Love To Hatred Turned)' by Henrietta Armstrong

**\$329** Regular price

**\$280** Member price

Part of our new Soho Editions, this limited-edition print was created by London-based Soho House Art Prize 2020 runner-up, Henrietta Armstrong. She looks at man-made objects and structures from everyday technologies that are often obsolete. For her piece, Armstrong draws inspiration from Medusa, the ultimate anti-heroine symbolising issues surrounding desire, punishment, fear, and misogyny.
