Product details

Taking inspiration from the marble textures seen at 180 House in London, our Tisbury side table is crafted from Jurassic Green marble - an Indian stone that's harder than typical white marbles and less likely to scratch or mark. The side table has three sturdy columns set into the rounded table top, adding to the sculptural quality of the piece. It is available in three colour variations that represent the beauty of the stone.

- Marble side table
- Round top
- Three legs
- Jurassic Green marble
- Available in brown, green and black variations
- Variations in the marble make each piece unique
- Pair with the Tisbury coffee table
- Marble sourced from India
- Inspired by 180 House
