

SOHO HOME

Limited Edition Bassett Pine Candle, 650g

\$115 Regular

\$98 Membership

Product details

Our limited-edition Pine candle is inspired by Christmas time at Soho Farmhouse, with notes of aromatic Rosemary, Clove and Cedarwood. The large glass vessel features a bespoke label designed by our in-house creative team, with abstract motifs that depict the signature scent and reference the cut-outs Henri Matisse created in the last decade of his life. Use the candle to fill your home with an uplifting, long-lasting aroma.
