The Allis chandelier is our take on mid-century style pendants seen in White City House. Eighteen champagne tinted glass globes have bubbles throughout the glass to cast shadows and add texture to your lighting scheme. Sitting on antique brass finish arms each with a matching brass surround, the adjustable height means you can hang high or low above your dining table for a talking point centrepiece.

- 18 Champagne tint globes
- Bubble-effect throughout glass
- Antique brass metal finish frames behind globes
- Adjustable height
- Inspired by White City House
