Evoking the warm, comforting scent of a log fire flickering in the hearth at Babington House, this limited-edition Bassett diffuser blends Charcoal and Cedar with a grounding, earthy base of Leather and Moss. The glass vessel features a bespoke label designed by our in-house creative team, with abstract motifs that depict the signature scent and reference the cut-outs Henri Matisse created in the last decade of his life. Use the diffuser to fill your home with an uplifting, long-lasting aroma.
