Oregan Wall Light, US

\$275 Regular price

\$234 Member price

The Oregan wall light has a vintage feel that references the styles at White City House with a cast bubbled glass shade and raw brass metalwork. Our brass is brushed to give an antique feel, and is left without a protective coating. It therefore ages over time to develop a beautiful patina that adds character to new and old homes alike. Fit it by your bed to create a soft ambient light, ideal for unwinding.
